# NOTICE OF SPECIAL EVENT

## ROAD CLOSURE

Dear Community Member:

Please mark your calendar for the RETURN of the Surf City Marathon on **Sunday, February 1, 2026**. This long-standing race offers scenic views of the Pacific Ocean and America's true "Surf City" as runners make their way to the finish line by way of Pacific Coast Highway and local city streets. This exciting weekend will include a two-day Active Lifestyle Expo by the water, Beach Mile on Saturday, January 31, and close with the marathon, half marathon and 5k on Sunday, February 1.

Community members are encouraged to join in on the weekend of activities! To plan your day accordingly, here are a few more important notes:

- The 2026 event course will require the closure of Pacific Coast Highway from Beach Boulevard to Warner Avenue. Pacific Coast Highway will be closed **between 1 a.m. and 2:30 p.m.** on **Sunday, February 1**. Detours will be in place.
- The race will begin at **6:30 a.m.** near the Huntington Beach Pier, at the intersection of Huntington St and Pacific Coast Highway.
- All three distances (marathon, half, and 5k) will start in the northbound lanes along Pacific Coast Highway and return in the southbound lanes. Portions of the bike path will be utilized for the marathon route.
- Detours will be in place and law enforcement will be onsite to assist motorists when safe. For the safety of all involved, please obey all traffic signs and direction from law-enforcement.

Please see the enclosed course map and list of road closures for more details. Additional information and full event schedule can be found online at [runsurfcity.com](https://runsurfcity.com).

If you have any questions regarding access and detours, please contact us at [info@runsurfcity.com](mailto:info@runsurfcity.com). Thank you in advance for your cooperation!

The graphic features the Surf City Marathon logo at the top, which includes "EST. 1996" and "USA". To the right of the logo, it says "PRESENTED BY BioFREEZE". Below the logo is a green rectangular sign with white text that reads "ROAD CLOSURES" and "Sunday, Feb 1, 2026". Underneath the sign is a table with six columns: Street, Direction, From, To, Closure Time, and Opening Time. The table lists eight road closure segments. At the bottom of the graphic is an illustration of a road with a green car, a blue car, and a white van with orange accents driving towards the viewer. The background of the graphic is a light orange color with stylized clouds and trees.
